

FAQ: 'How do I enrol in a learning module'

To enrol in a module:

- 1. Log in to the <u>National Hand Hygiene Initiative (NHHI) Learning Management</u> System (LMS)
- 2. Select the relevant tile under the Online Learning Module Categories tab

* If you are unsure which tile the module you wish to enrol is under, please refer to the infection prevention and control eLearning modules webpage

Or you can type the keyword/s in the search bar, then either press Enter on your keyboard or select $\[equation]$

Search results will show the relevant module/s with the keyword/s, select the module you wish to enrol
